CALUMET COUNTY CHILDREN WITH DISABILITIES
EDUCATION BOARD
AUGUST 27, 2019

I. Communications: NONE

II. Director's Report:

A. Elizabeth Langteau gave an Allies in Mental Health Education update. She answered questions about her report. In five years the idea is to take care of all mental health issues for students. Not treatment, but to make parents and teachers aware. Different coping skills would be addressed. Calumet County can serve as a model for DPI because of the coaching component.

B. DPI Update : Family engagement handout.
Video interview with Karen Mapp.

C. UDL training in Stockbridge went well. J. Hartl was impressed with the process (the power of "yet"). M. Schwalenberg was impressed with the passionate presentation. Videos will be made available.

D. The Courthouse CESA #7 office is relocating. The current office will no longer be available. A new location was found on the 2nd floor for a cost of \$18,000. Irwin motioned to remodel the office on the 2nd floor. It was seconded by Schwalenberg. The action passed unanimously. Also, after budget was approved, monies would be needed for an additional EBD teacher.
