

EXAMPLE STATE OF WISCONSIN REAL ESTATE PROPERTY TAX BILL

CALUMET COUNTY PROPERTY TAX BILL FOR 2020

Total Assessed Value: This is the \$ value your municipality's assessor has determined for your property. **This is the value your municipality uses to calculate the total property tax you pay** for municipal services, as well as school district costs, Calumet County services, Technical College, and the State of Wisconsin Conservation Fund (State Forestation Tax). Total is composed of your land and improvements (house, garage, out-buildings, etc.)

Total Estimated Fair Market: The estimated value calculated by the Wisconsin Department of Revenue, based on "Arms length sales" (sales between a willing buyer and seller) in your municipality during the past year. As with the assessed value box, this is divided up between land/lot and improvements.

Average Assessment Ratio: This number represents the municipal average assessed value of all taxable property when compared to the estimated fair market value of all taxable property (in the municipality your property is located). This value multiplied by Total Est. Fair Market value should equal the total assessed value. [Click here for a list by municipality.](#)

School Tax Levy Credit: State of Wisconsin "shared revenue" program, distributed to municipalities based on their share of statewide school levies.

Assessed Land Value Improvements Value vs. Your property parcel is divided into your lot/land, and your improvements (house, garages, outbuildings, etc.) are taxed at the same rate, although the values are likely different.

Estimated Fair Market Land: The market of most land is based on resale value of the land with the exception of agricultural land which is assessed based on the ability of the land to produce. If you have assessed agricultural land, your bill will show a zero value for market value.

Taxing Jurisdiction: There are five (5) main taxing jurisdictions in Calumet County: State of Wisconsin, County, Technical College, the local municipality in which your property is located, and School District. Some properties may lie in "special taxing jurisdiction" such as lake, sanitary or fire districts. If so, a portion of your property tax is also shared by this special district.

First Dollar Credit: Given to property with a structure regardless of use or value.

Lottery/Gaming Credit: Property used as an owner's primary residence qualifies for this credit, which comes from state lottery revenues, on-track betting and bingo facilities. [Click here for both.](#)

Taxing Jurisdiction: any local voter approved temporary tax increases are listed, per 2015 WI Act 55 requirement.

ASSESSED VALUE LAND 19,000	ASSESSED VALUE IMPROVEMENTS 126,200	TOTAL ASSESSED VALUE 145,200	AVERAGE ASSMT. RATIO 0.952756265	NET ASSESSED VALUE RATE 0.02319234 <small>(Does NOT reflect credits)</small>	NET PROPERTY TAX 3153.85
